

2024 Pets and Housing Awards Nomination Submission Instructions

There are several different ways to submit your nominations, so nominating a property or company is easy!

Submission Deadline is May 15

HOW TO SUBMIT YOUR AWARD NOMINATION

Submission Options

1

Upload a video demonstrating why your property or company should win the [award category](#) to your favorite video-hosting site, such as YouTube (unlisted is fine), Vimeo, Dailymotion, etc. Then include a link to the video in the submission form. Video must be 2 minutes or less.

2

Create a slideshow using photos and convert it into a video (mp4) via a video-making tool like Vimeo Slideshow, Canva, Animoto, or a similar tool. Then include a link to the video in the submission form. Video must be 2 minutes or less.

3

Create a slide deck using photos and any other content that demonstrates why your property or company should win the award category. Attach this in the submission form.

Additional Submission Information

- Each submission must include a written description of why your property or company should win the award category. Use as many words as you need to make your case.
- Please include a high res logo for your company or property, as well as some high res photos of your property, if possible.
- Please complete one submission form for each award category you are interested in.
- You may submit for as many award categories as you wish.
- You can read about each award category on our [Pets and Housing Awards](#) web page.
- If you have questions about the submission process, please contact PIHI Senior Program Manager, Sara Maria Muriello: s.muriello@foundnanimals.org

Ready to submit your nomination? Complete a submission form here, or click on the submission button from the [Pets and Housing Awards](#) web page.
